

# *Manatees at The Plantation*

The arrival of the cooler weather in most parts of the world also is the beginning of the viewing of the West Indian Manatee, which last until March at our lovely resort. Because of the warm waters of the natural springs that surround our hotel, we are home to the largest Manatee population that has become a magnet for attracting more than 150,000 visitors from around the world. This coupled with our beautiful golf course, full service spa, 196 well appointed guest rooms and suites and the charm of the area makes Plantation Golf Resort & Spa a wonderful winter vacation.

*We are looking forward to providing you an unforgettable experience.*
